SPACES, INC. ANNOUNCES NEW LEAD FURNISHINGS LINE

(KANSAS CITY, MO) – Spaces, Inc., a full-service interior space provider specializing in solutions for comprehensive environments, has chosen Allsteel as its new primary manufacturing partner. Allsteel and the HNI Brands will lead the Spaces, Inc. current portfolio of offerings. The Spaces, Inc. team is represented by skilled consultants who provide expertise, creativity, and customer service from start to finish on every project from evaluation and planning to execution and installation.

“We are excited to be partnering with the Allsteel brand to offer a fresh perspective for the evolving workplace for our customers”, explains Trisha Allenbrand, CEO of Spaces, Inc. “Our goal is to continue building our comprehensive portfolio of products, services, and support. We feel the strength of Allsteel, HNI brands and national contracts will be a growth opportunity for Spaces, Inc., and we look forward to being able to offer expanded solutions to our current and future customers.”

“Our new relationship with Spaces, Inc. provides a great opportunity for us to enhance our capabilities and coverage in the Midwest market and to create even more business value for customers”, explains Jason Hagedorn, President of Allsteel. “Allsteel and Spaces, Inc. have a shared commitment to supporting customers throughout their journey as they transform their workplace. We have a shared belief that when workplace design is purposeful and honest, the result is inspiring. We have full confidence our collective customers will benefit from this new partnership now and in the future.”

Spaces, Inc.’s new renovation will be a destination to experience an extensive collection of products from Allsteel, its partner brands and the full HNI portfolio. It will be complete with fully integrated, state of the art technology, digital presence, and a comprehensive view into creativity and ideation for the workplace of tomorrow. The knowledge center will articulate the unique and intentional Spaces, Inc. culture and exhibit its industry-leading project delivery experience.

The partnership’s official launch date is January 10, 2022. Appointments can be scheduled by calling (913) 894-8900 or via email at info@spacesinc.com.

###

About Spaces, Inc.

Proudly a woman-owned small business, Spaces, Inc. delivers a positive and intentional experience that empowers each client to craft unique environments through individual pieces or comprehensive projects - an identity that is true to our core values and expansive connections. We work in a wide range of industries including commercial, healthcare, local & state government, federal government, civic, higher education, and K-12. Spaces, Inc. is recognized for our client-first mentality and empowered culture that allows us to deliver solutions with a seamless process, and create long-term relationships as we develop an environment. Our offerings include pre-fab digital component construction, design based research, furniture, and complementary professional services.
